When it comes to professional pet grooming, Colin Taylor has a knack for dishing out good ol' common sense. His words are a breath of fresh air. I could not put the book down!

MELISSA VERPLANK, Certified Master Groomer
Award-winning author, *Notes from the Grooming Table, Theory of 5.*

A book such as this is long overdue and I will certainly be adding it to my list of 'essential reading' for our students. Colin is a kind, caring, talented and funny person. His grooming skills are second to none, as is his ability to pass on his amazing skills to others.

LESLEY GARRATT, Certified Master Groomer, LCGI
Canine Design Academy of Grooming

What Would Colin Do? ... is very informative and also very entertaining to read. This is an awesome book for new and experienced groomers, filled with great info and amusing stories, fast easy reading. Loved it, and highly recommend it.

SUE ZECCO, Certified Master Groomer, NCMG, IPGCMG
The Pampered Pet

This book has something for every stage of a groomer's career, with tips and great content for established and new groomers alike... invaluable help in dealing with customers, how to keep them happy, how to deliver sensitive news, and build long-lasting relationships with honesty and tact. A great addition to any groomer's salon bookshelf!

JULIE HARRIS, Certified Master Groomer, LCGI

For more than 25 years, Colin Taylor has been an exciting figure to watch in the professional dog grooming world.

He has been a winner of the World Cup Grooming Games, the Dog Grooming Olympics, the Odeur International Tournament of Champions, and has held the title of InterGroom International Groomer of the Year.

Colin is a co-founder of MasterGroom, one of the top grooming competitions in the UK. He has appeared on the cover of Groomer To Groomer magazine five times, and is a sought after guest speaker at pet grooming events worldwide.
